INDEPENDENT AUDITORS' REPORT

Board of Directors
International Association for
Accounting Education and Research
Chicago, Illinois

Report on the Financial Statements

We have audited the accompanying statement of assets, liabilities and net assets – cash basis of the International Association for Accounting Education and Research (a nonprofit organization) (IAAER) as of December 31, 2013 and 2012, and the related statements of support, revenue and expenses – cash basis and changes in net assets – cash basis for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, such financial statements present fairly, in all material respects, the assets, liabilities and net assets of IAAER at December 31, 2013 and 2012, and the changes in its net assets for the years then ended in accordance with the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles as further described in Note 1.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the 2013 financial statements as a whole. The accompanying supplementary information is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental schedules are the responsibility of IAAER's management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such supplemental schedules have been subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS
(Cash Basis)**

DECEMBER 31, 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Operations

The International Association for Accounting Education and Research (IAAER) is an Illinois not-for-profit organization incorporated on November 4, 2002. IAAER is a global organization founded to promote excellence in accounting education and research on a worldwide basis and to maximize the contributions of accounting academics to the development and maintenance of high quality, globally recognized standards.

Cash basis of accounting

IAAER prepares its financial statements substantially on the basis of cash receipts and disbursements; consequently, revenue and the related assets are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligations are incurred. Accordingly, the accompanying financial statements are not intended to present the financial position or changes in net assets on the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America.

Income taxes

IAAER is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Contributions to IAAER are deductible for income tax purposes within limitations of the law.

IAAER's tax reporting is on the same cash basis of accounting used in preparing these financial statements.

NOTE 2 - CASH

IAAER maintains a cash account at a financial institution which sometimes exceed federally insured limits. IAAER manages the risk regarding deposits in banks by using high credit quality financial institutions. IAAER has not experienced any loss in the account and management believes that IAAER is not subject to any significant credit risk on cash.

NOTE 3 - CONCENTRATIONS OF PUBLIC SUPPORT AND REVENUE

Three supporters accounted for approximately 81% and two supporters accounted for 84% of IAAER's public support and revenues for the years ended December 31, 2013 and 2012, respectively.
